Foreword

Realizing that we are about to enter a new chapter in our lives, we look back on our former years at SPHS with fond memories. In our 1962 Regit we have attempted to capture these memories and preserve them for all time. We have collected impressions of people, places and events and pictured them in this annual as our final tribute to Our School.

We of the editorial staff are now proud to present this chronicle of nostalgia, reminiscences and treasured moments.

In Appreciation to Our Class Advisors

Mr. and Mrs. Philip S. Clarke

In deep appreciation for their genuine eagerness and desire to render assistance and thus determine the successful outcome of our Senior Class, we, the Class of '62, do hereby dedicate this yearbook to our class advisors, Mr. and Mrs. Philip S. Clarke. With their constant guidance and encouragement our class has prospered and grown in a wisdom which will remain with us in future years. This book represents only a small token of the students' great respect and deep admiration for these two outstanding individuals.

Tiger Talk, the school newspaper, has brought to the students of SPHS a year of complete coverage plus new and colorful features. Published through the efforts of eight staff members, this year's Tiger Talk has become more and more the voice of the student body. Controversial subjects have been introduced and many new columns have been initiated. Added attractions such as "Leave It to Jeanne" and "Sum-It-Up" have increased the paper's circulation.

Tiger Talk members have also done publicity for SPHS in the Courier-News and Suburban Review. Publicity for the Suburban Review was done by Paula Myers for our Tiger Tattler column.

Carmel Santoro and Jeanette Reynolds confer with Mrs. King.

Student Council

The Student Council is a student governmental organization. Its members are representatives of each class and are chosen by the student body. They must be responsible students who are interested in the improvement of their school. The Council is the democratic means of intercession between the student body and the administration. Its aims are to improve student relationships with the faculty and the community, to be of service to the administration in alerting them to student opinion, and to make supplies available to the student through the operation of the school store.

The social aspect of the Student Council includes the sponsoring of the annual Sadie Hawkins and Cupid's Carousel Dances. Proceeds from the affairs are used for the purchase of a gift which can benefit the school in future years.

National Honor Society

The objective of the National Honor Society is to raise the level of secondary schools in the United States by creating an enthusiasm for scholarship, stimulating the desire to be of service within one's school, community, and country, promoting worthy leadership, and by encouraging the development of one's character. The Society's motto is "Light is the Symbol of Truth."

Members of the National Honor Society must have certain qualifications which uphold the proposed high standards stated in the Society's charter. These standards are excellence in Scholarship, Leadership, Service and Character. Applicants must be approved by a select group of faculty and Society members. Only Juniors and Seniors are eligible. Sophomores are placed on probation until their Junior year. Twelve per cent of the Senior class and seven per cent of the Junior class are represented in the Society.

Establishment of a school scrapbook, dances, trips, fund raising schemes, and the maintainment of the Student Handbook are among the projects of the National Honor Society.

Class History

Freshman
1958-1959

September, 1958, we met the people with whom we would be spending our next four years.

There we were--those green freshmen on the brink of our high school years. Graduation was an eternity away.

During our freshman year we did nothing but get acquainted with one another and get adjusted to our new roles as high school students. Our work was to begin in our Sophomore year.

Sophomore
1959-1960

Our sophomore year saw the election of our first class officers-Vincent Maltese, president, Rose Butrico, vice-president, Pat Bundschuh, secretary, Roger Mazurkewicz, treasurer. Mr. Sapko and Mrs. Grover were our first advisors.

Our two biggest sales projects were the selling of green and white shakers and those green hats with large white plumes. The Class of '62 sponsored the first faculty volleyball game - remember those crazy getups. We also sold Easter flowers during lunch periods.

One of our biggest undertakings was the Sock Hop, a smashing success.

That year saw a perfect, undefeated season for our great basketball team.

It seemed the year ended too fast as we bid goodbye to the Sophomores and become Jolly Juniors.

Junior
1960-1961

We started our Junior year with the magazine sales drive from which we made a substantial profit. Next came our Autumn Leaves dance.

The Leaders Corps initiated the Tiger Teen where different games, and dancing was offered. It was well received.

Our biggest endeavor was the Junior Prom held in June. Our theme was "Ebb Tide" and everyone had a wonderful time. Remember the Treasure Chest and Mermaid and all the fun at the shore the next day.

Sue Kirchner and Pat Bundschuh represented S.P.H.S. at Girls Citizenship Institute, while Ruth Huslage was our delegate to Girls' State and Bob Embley was Boys' State representative.

Our officers were Vincent Maltese, president, Rose Butrico, vice-president, Pat Bundschuh, secretary, and Sue Kirchner, treasurer, who again served us well.

We sadly said farewell to the Class of '61 as we rose to the highest position, that of the Grand Old Seniors.

Seniors
1961-1962

The Class of 1962 has become well-known through its cooperation with each other. Our first senior project was our candy sale which gained us huge profits.

Our first trip together was with Mr. Lawyer to New York City to see "A Man of All Seasons."

Our senior play was one of the best ever. It was held on November 17 and 18 and was the situation comedy-"You Can't Take It With You." Who can forget Kolenkov, Essie, Grandpa and all the rest? Our play was a smashing success.

The Senior Class and the P.T.A. jointly sponsored a fashion show.

The Student Council became more effective mainly because of the devoted officers - Bob Ippolito, president, Pete Hemming, vice-president, Eileen Stukane, corresponding secretary, Roberta Warrick, recording secretary, and Ron Kuboski, treasurer. The Sadie Hawkins Dance was really profitable.

Through the efforts of Coach Cotoia and a spirited squad, our football team turned in its best season ever, 6-2-1. Prior to our game versus North Plainfield, Susan Kirchner was crowned Football Queen and Ken Ribar was Football King. School spirit ran high. Now with this fine record and our high school years at an end we say farewell to South Plainfield High School.
